RE: BellSouth Long Distance, Inc. (BSLD) Petition to Amend its Certificate of Public Convenience and Necessity to Provide Facilities-Based Interexchange Services in Tennessee.  
Docket Number 05-00137

Dear Mr. Anthony:

In order to more fully analyze the above referenced petition, the Tennessee Regulatory Authority (TRA) requires additional information. Please provide the following information:

1. Has the petitioner filed similar petitions in other states? If so, please provide a listing of states and action taken or pending.
2. Tenn. Code Ann. § 65-4-201 (c) provides that:

"After notice to the incumbent local exchange telephone company and other interested parties and following a hearing, the authority shall grant a certificate of convenience and necessity to a competing telecommunications service provider .."

Did BSLD provide notice of this filing to the Incumbent local carriers and facilities-based interexchange carriers in Tennessee? If so, please provide a certificate of service. If not, please provide notice of this filing to the Incumbent local carriers and facilities-based interexchange carriers in Tennessee, and provide this agency a copy of the certificate of service.

3. Please identify all complaints filed with state and federal regulatory agencies involving BSLD. Identify the nature of the complaint and how the complaint was resolved.
4. Will there be changes to the rates, terms, and conditions currently on file with the TRA? If so, please provide an informational tariff for BSLD's proposed services (Original and 3 copies).
5. Please provide the name and contact information for the person responsible for responding to regulatory complaints filed with the TRA.

Please provide this information by June 3, 2005. In accordance with TRA rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220

Sincerely,
